SMD LED: chip LED, Side View LED, PLCC LED, PLCC Reverse LED. High Power LED: Surface Mount LED. Through-Hole Lamp: Round Lamps, Oval Lamp, Cylindrical Lamp. Display: Through Hole, SMD, Alphanumeric Through Hole, Super Thin Top Mount SMD, Super Thin Reverse Mount SMD. Dot Matrix: 7x5, 8x8. Infrared: Emitter, Phototransistor, Photodiode. Optocouplers, Mini-flat Package, Half Pitch Mini-flat Package, Long Creepage Mini-flat Package. Ultraviolet. Circuit Board Indicator: Single Level, Bi-Level, Tri-Level, Quad-Level, Eight-Level. VCSEL: High Power, Mid Power, Low Power.

Traditional Acoustic: Buzzer, speaker, Mic, Siren. Lighting: Interior, exterior. Speaker: SMD Speaker, Signal Speaker, Dashboard Speaker, E-Call Speaker, HiFi Speaker. AVAS: Traditional AVAS Module, AVAS & Welcome Integrated System, Embedded Software Control with AVAS Module. Haptic: Display & Touch Screen, Push-Button. MIC Module: Voice Call, MEMS, A2B, SOS Module. Piezoelectric Ceramic: Piezoelectric Film Element, PCT Alarm, Piezo Sensor. ANC. SOS & ECALL: SOS Module, UBI & E-Call Module. 3D Camera: iToF 3D Camera.

Power Management IC, High Efficiency Resonant Flyback Controller, Active Bridge Controller, Automatic X Capacitor Discharge IC. MOSFETS: Small Signal, Low Voltage, Medium Voltage, High Voltage, Super Junction. SCHOTTKY: Small Signal, Power, and Super. SiC Devices: SiC Diodes. Diode RECTIFIERS: Small Signal Switching Diode, General Purpose, Fast Recovery, Ultra-Fast Recovery, Super-Fast Recovery, Hyper Fast Recovery, FRED. Protection Devices: Zener Diodes, ESD Protection, Transient Voltage Suppressors, Load Dump Transient Voltage Suppressors. Bipolar Junction Transistors: General Transistors, Low VCE(sat) Transistor. Bridge: Bridge Rectifiers, Schottky Bridge Rectifiers.

www.sahasraelectronics.com

Memory Products: DDR RAM, SD/mSD Card, USB Flash Drive, SSD. IT Hardware: Enterprise Grade, Server Motherboard, Enterprise SSD. Consumer Grade: Desktop Motherboard. Printed Circuit Assembly, Board Design, PCB Fabrication.

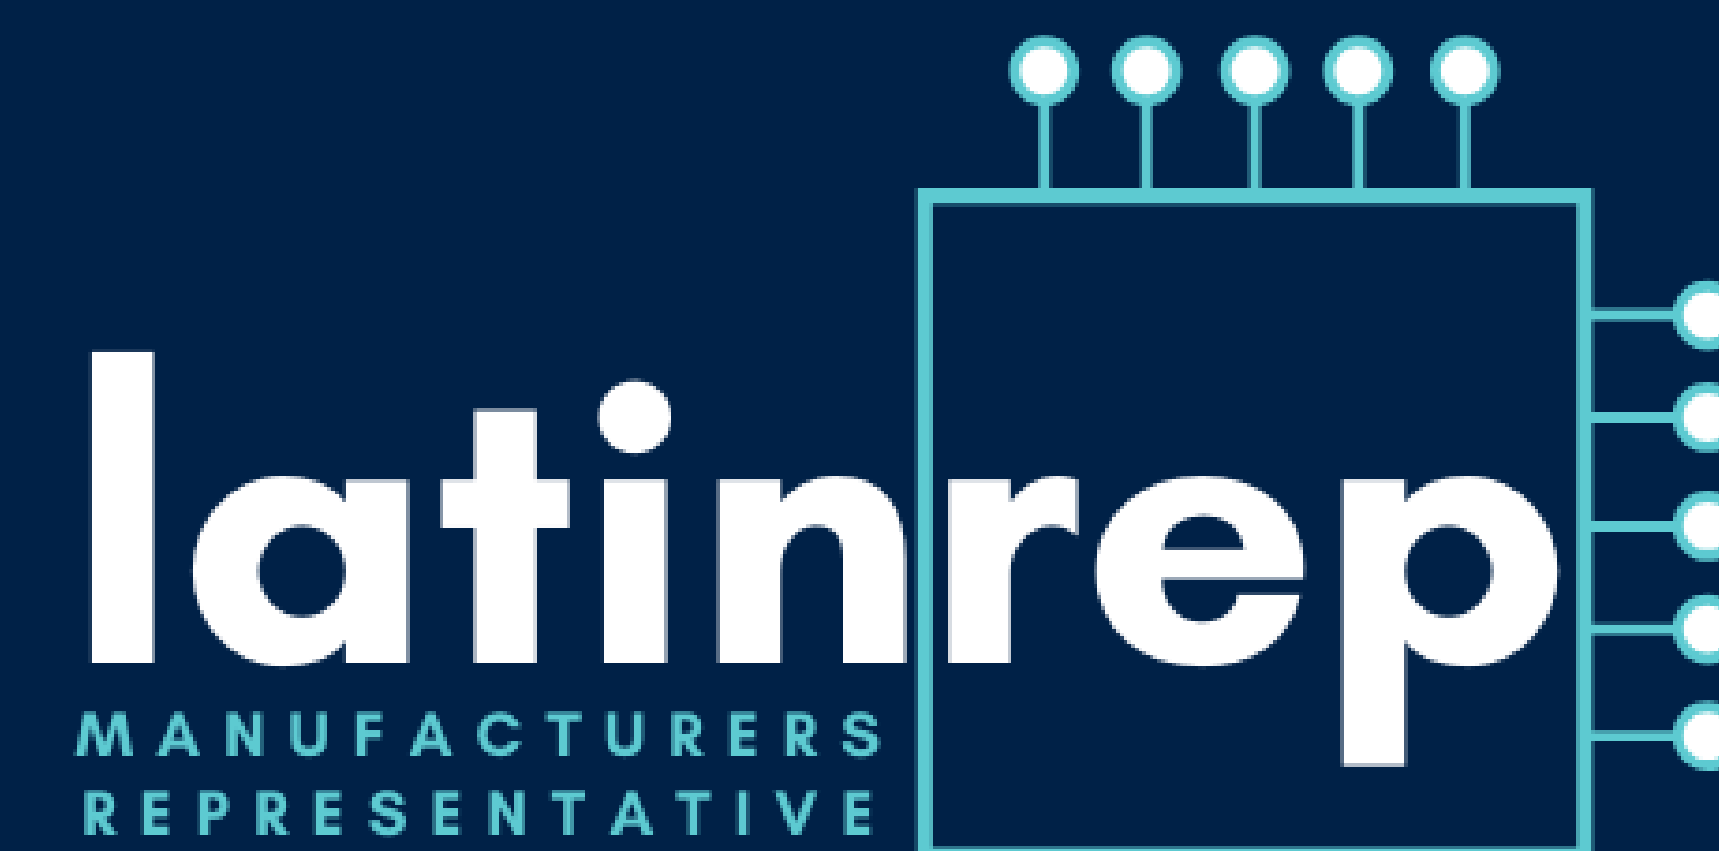

www.niccomp.com

Capacitors: Aluminum Electrolytic, Ceramic Capacitors, Double Layer Capacitors, Film Capacitors, Tantalum Capacitors. Magnetics: Chokes, Ferrite Chip Beads, Power Inductors, RF & Signal Inductors, Transformers. Resistive: Resistors, Thermistors. Circuit Protection: Fuses, Diodes, Gas Discharge Tubes, Varistors. RF Products: Antennas, Baluns, Filters. Connectors & Cables: Cable Assemblies, USB Connectors. Relays: Power Relays.

www.jarothermal.com

Electronic cooling-device technologies and products. As a quality oriented manufacturer, Jaro is focused on providing cutting-edge, thermal-cooling technologies that extend the life of electronic components and circuits for different industries and applications.

www.triadmagnetics.com

Custom Magnetics, Power Transformers, Current Sense Transformers, Wall Plug-In Transformers, Power Supplies and LED Driver, Audio Transformers, Inductors and Chokes, High Frequency Magnetics.

www.hardware specialty.com

Distributor of Fasteners, Electronic Hardware & Components. Supporting OEM's and Contract Manufacturers in both Commercial and Military/Aerospace markets.

www.gaptec-electronic.com

DC-DC Converters: Galvanic isolated, railway vehicle applications, telecom power, step-down regulators, high input voltage, LED drivers, galvanic isolated asymmetric power. AD-DC: PCB mounted, DIN-Rail mounted, Off Board modules.

www.golledge.com

Golledge is a leading supplier of frequency control products, including quartz crystals, oscillators, TCXOs, VCXOs, OCXOs, RTC modules, crystal filters, SAW filters and SAW duplexers, to the worldwide electronics industry.
